## In Full Bloom...

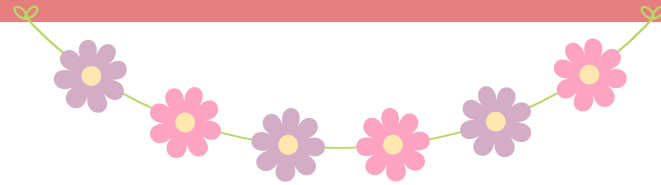

Can you believe it's already April???

As we head in to the last months of school, things are still busy. We'll be going on one more field trip, have some Spring-time fun, and start practicing for graduation and moving-up ceremonies!

Mark your calendars...VBS (Vacation Bible School) at Bethlehem will be here soon - June 16th to 20th. It's going to be an UNDER THE SEA ADVENTURE!

I love this quote about spring...*"Every Child is a different kind of flower and all together make this world a beautiful garden!"*

Thank you for sharing your beautiful flowers with us!

## From Miss Sara & Miss Karen (4s)

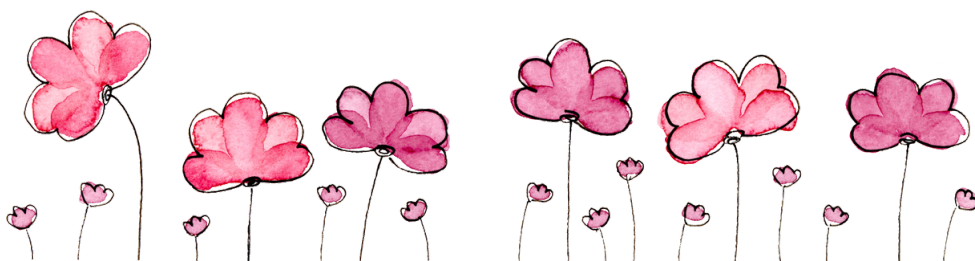

We are rapidly approaching the end of the school year. The children are learning phonics and sight words to help with early reading. This is a BIG part of the Kindergarten curriculum and we hope this exposure and practice will give them a head start next year! It is fun to see the excitement on their faces as they identify letters and words in books! They are doing an amazing job.

Our final field trip will be at the end of the month to Pheasant Run Greenhouse. This is an OUTSIDE trip - please dress accordingly. We will learn about gardening, tour a greenhouse, see the fish, and have a special activity to celebrate Mother's Day! More info coming soon.

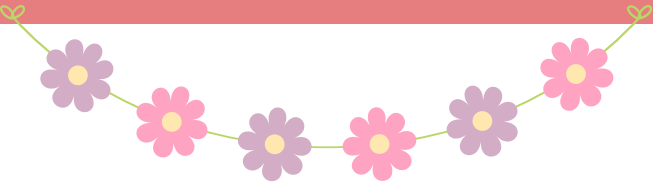

Mark your calendars for GRADUATION! On **Wednesday, May 15th at 9:15 am and 12:45 pm** we will celebrate our graduates with a special program in the **New Gym**, featuring songs we've learned this year, along with a few new ones. Graduates will wear their caps & tassels (not the gowns from their graduation photos) so that they can showcase their special outfits. Even if your child is returning for another year in the 4s class, they are welcome to participate in our graduation day.

We are looking forward to the next few weeks with your child...they are a treasured gift and each one has captured our hearts!

Many Blessings,  
Miss Sara & Miss Christina

APRIL 2024

From Miss Sharon & Miss Kate (3s)

We are so proud of the progress our kiddos are making this year! Our themes for this month include dinosaurs, Spring, and Earth Day. We will continue working on letters in their names, recognizing numbers and counting. We will also focus on feelings and being a good friend.

Thank you for all your support, help, kindness, and snack contributions this year! Our families are amazing! We love you all!

♥ Miss Sharon and Miss Kate

## We all scream for ICE CREAM...

Our church librarians would like to invite our preschool families to participate in their Spring reading incentive. Scoop up a good book this Spring. Students will receive reading logs to fill out, our teachers will collect them, and Miss Christina will hand out prizes! Our kiddos read SO many books in the fall, I can't wait to see how many books they can read this time! Remember - you can use our library anytime!!!
